

Sinclair Broadcasting should not be allowed to air such blatantly pro-Bush propaganda as "Stolen Honor." It's not news, it's not true, and it doesn't serve the public interest.

If "Stolen Honor" is allowed, the same stations should be required to air a pro-Kerry piece in the same time slot. Sinclair is obviously pandering to the Bush administration for favors in the next four years, and the FCC should put a stop to electioneering on public time.

Thank you.
